Student Funding Information

■ Excerpt from FY12 Quota Message Block 26

- All students traveling under DISAM funds must contact DISAM/DAB at DSN: 785-8940/comm 937-255-8940 or email disam.budget@disam.Dsca.Mil to receive a fund cite. This information will not be available any sooner than 30 days prior to class start date.
- For students using DTS please provide traveler's name, course title/number, traveler's SSN and DTS approver's email address.
- For students not using DTS, please provide your name, course title/number and the email address for your supervisor and/or the budget person preparing the orders. Please note, all students not using DTS are required to provide DISAM/DAB with a copy of their orders used to travel to DISAM and a copy of the paid voucher. Provide paid voucher to email address above or fax to (937) 255-8571

Student Funding Problem

- **DTS Students using a CBA for tickets**
 - When CBA is selected for payment method with Cross-Org funding, DTS creates an obligation separate from the rest of the travel expenses.
 - DTS does not reconcile this separate obligation so it is done manually by DFAS. This creates a problem and extra work trying to figure out what line to charge.

Commandant's Corner

This is an area that we could use to tell students and the SC community about our mission, accomplishments and goals. It gives the commandant a primary spot on the website to communicate with our target audience.
